

Jimmy Kern

Position: Wide Receiver and Cornerback

Favorite Class:

Chemistry, because I do really good in it and I "get it."

Being a Senior means:

That it is the last chance for us to win States! The strength I bring to the team is leadership. When I am not playing Football I like to hang out with my friends, play basketball with Team Tang. After high school I would like to get a great education and live "Happily Ever After!"
