

Andy Stebbins

Position: Defensive Line and Offensive Line

Favorite Class:

Science, because I want to teach it.

Favorite Movie:

Tenacious D in the Pick of Destiny

Favorite Music Before

a Game: Holy Diver – Dio

Being a Senior means:

That I will be a positive team leader. The strength I bring to the team is that I have three years of varsity experience. When I am not playing football I like to play in my band and hangout with friends. After high school I would like to attend college and become a high school science teacher.
